*To the Creditors of Tyam Civil Constructors Ltd.*

Dear Sirs:

**In the Matter of the Notice of Intention to Make a Proposal  
by Tyam Civil Constructors Ltd.**

**Notice of Intention/Proposal**

Please be advised that on March 15, 2012, Tyam Civil Constructors Ltd. ("TCC") filed a Notice of Intention to Make a Proposal (the "**Notice of Intention**") under Section 50.4(1) of the *Bankruptcy and Insolvency Act* ("**BIA**") and G. Powroznik Group Inc. of G-Force Group ("**G-Force**") has been appointed as Proposal Trustee (the "**Trustee**"). The effect of the filing of the Notice of Intention is that proceedings by any party are stayed against TCC.

Attached to this letter is:

- A copy of the TCC Notice of Intention to Make a Proposal (Form 33 under the BIA); and
- A copy of the TCC list of creditors prepared as at March 15, 2012.

TCC has taken this action as part of restructuring its operations and obtaining new financing to maintain its normal going-concern operations. It has 30 days in which to file the Proposal to its creditors unless the Court grants extensions which cannot exceed five months after the 30-day deadline. The Proposal Trustee is an Officer of the Court whose primary duties are to protect the interests of TCC's creditors and monitor TCC's operations until it has filed the Proposal and it is accepted by its creditors and the Court. The Proposal Trustee will also assist TCC as necessary in formulating its Proposal.

Please be advised that we have set up a webpage relating to the TCC Notice of Intention. The URL for the website is:

<http://www.g-forcegroup.ca/current-projects/Tyam>

This page has been set up so that TCC's creditors, customers and stakeholders can monitor the status of the matter and download/view certain documents relating to the Notice of Intention, including the documents listed above, any correspondence issued by the Trustee, and any other information that is pertinent to the filing. We will endeavour to update the webpage on a weekly basis or as new information becomes available.

TCC's short-term plan is to continue its operations as a going concern and complete those projects that it had commenced before the date of the filing of the Notice of Intention that enhance TCC's financial position. In doing this, TCC will attempt to maximize the "size of the pie" for all of its stakeholders, in order to maximize recovery for TCC's pre-filing creditors (i.e. those with claims at March 15, 2012). For suppliers who continue to engage with TCC after March 15, 2012, we confirm that TCC has secured financing to ensure the post-filing suppliers are paid for ongoing work undertaken by TCC.

Throughout the Notice of Intention process, the primary role of G-Force as Trustee will be to monitor TCC's business and to report to the Office of the Superintendent of Bankruptcy and to the Court if there are any material adverse changes in TCC's financial circumstances.

#### **Trust Claim Settlement Program**

In addition, TCC has asked G-Force to develop and co-ordinate a process to assess and administrate any pre-filing creditor claims relating specifically to TCC projects for which revenue is received and is impressed by a trust under Provincial legislation. This process (the "**Trust Claim Settlement Program**") will require approval by the Court as it will occur outside of the Notice of Intention action. Accordingly, TCC plans to apply to Court as soon as it is practical in order to obtain direction for G-Force to proceed with the proposed Trust Claim Settlement Program.

We anticipate that the Trust Claim Settlement Program will recognize that monies due on the TCC projects are largely trust funds for the benefit of suppliers of goods and services entitled to file a lien under the Builders Lien Act. It will also recognize the importance of providing a mechanism to administer the trust funds in an objective manner within the legal rights of all affected stakeholders on a timely basis. The Trust Claim Settlement Program could include:

1. TCC's clients/customers placing the amounts due on each project, whether it relates to TCC's pre- or post- Notice of Intention activities, into a Trust Account maintained by G-Force, the Trustee;
2. The Trustee requesting TCC's creditors to file proof of their trust claim (the "**Proof of Trust Claim**") to confirm the status of their claim and entitlement to the trust fund, if any;
3. Reconciliation of any discrepancies, between TCC's records and creditors' Proof of Trust Claims under the Trustee's supervision;
4. Confirmation of allocation of the trust monies to trust claimants on each project by the Court;
5. Distribution of the Trust Monies to creditors by the Trustee according to a Court Order.

Once the results of the application to the Court for approval of the proposed Trust Claim Settlement Program are known, we will post instructions for completion and submission of claims to the webpage noted above. Again, we recommend that you regularly monitor the G-Force webpage for the TCC Notice of Intention for updates on this matter.

*At this time, please do not send any invoices or claim submissions to G-Force as it may cause future delays or a duplication of effort once the Trust Claim Settlement Program is in place.*

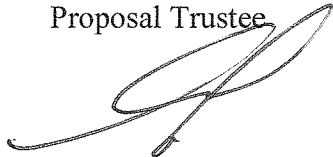

**TCC Application to Court for Trust Claims Settlement Program**

As noted above, TCC will require a Court Order to establish the Trustee's facilitation of the Trust Claim Settlement Program. TCC will apply to Court as soon as it is practical to do so. As part of that Order, please be aware that TCC will ask that the fees of G-Force for administering the fund be covered out of the trust fund as there is no other source of funds for this role. Further, one of the objectives for the program is that it will minimize the costs that would otherwise result from the lack of a streamlined, Court-supervised program. If creditors want copies of the court pleadings for the TCC Court application, please contact G-Force and we will have TCC's counsel add you to the email distribution list when the Court pleadings are filed. G-Force will also post the pleadings on the website address given above.

If you have any questions regarding the matters referred to above, please contact Chris Sinclair at G-Force at 778-371-0013 ([csinclair@g-forcegroup.ca](mailto:csinclair@g-forcegroup.ca)) or Patricia Foster at 778-370-0003 ([pfoster@g-forcegroup.ca](mailto:pfoster@g-forcegroup.ca)).

Yours truly,
