Morningstar Golf Club Ltd. Placed Into Receivership

Parksville, BC, June 20, 2018 - G. Powroznik Group Inc. of G-Force Group, Receiver-Manager of Morningstar Golf Club Ltd. ("Morningstar") has engaged Integrated Hospitality Management Ltd. ("IHM") to provide operations and support for the restructuring of golf operations at Morningstar.

Randy LaRoche, an IHM Associate has been installed as General Manager for Morningstar. Randy has a long history in resort and golf management, having previously served in leadership roles with the Canmore Golf & Curling Club, the Osoyoos Golf Club, Sandpiper Golf Resort (Fraser Valley), and Oakwood Inn & Golf Resort (southern Ontario).

Randy is working with current staff and has identified the need to immediately fill the following vacant positions: team leaders for the kitchen and restaurant service staff, kitchen and food & beverage service team members, and an administrative assistant. Also, Randy is seeking to rent accommodation in the Parksville/Qualicum area. Randy is available to all questions, concerns or comments in person at Morningstar and looks forward to meeting the Golf Club's members and the entire golfing community in the Oceanside area.

The Receiver-Manager's primary objective is to immediately improve the golf experience at Morningstar and eventually find a suitable buyer to invest for the long-term. For more information on the receivership go to: <http://www.g-forcegroup.ca/morningstar-golf-club/>

Morningstar is located 40 kilometers north of Nanaimo, on the outskirts of Parksville, 1.5 kms off the Island Highway <http://www.morningstargolf.com/>. The 18-hole course is nestled between an attractive residential neighbourhood and forested countryside. The 6983-yard layout was designed by Les Furber <http://www.gdsgolf.ca/> and completed in 1991.

G-Force Group www.g-forcegroup.ca draws on its extensive experience in restructuring, insolvency, performance improvement, corporate finance and several industries to assist stakeholders in enhancing or recovering their investments and loans from businesses, real estate and construction projects in a variety of industries including real estate development, hospitality, leisure, and others in British Columbia and Alberta.
